Dear Mr. McMahon:

My name is Van Williamson. I am a graduating senior at Southwest Texas State University. I am currently working on a course project concerning the effects of capitalism on the elite society in the Soviet Union and I request your help on this project.

In this project, I hope to show how capitalism is changing the attitudes of the upper class elite of the Soviet Union and how this change of attitude is effecting Soviet policies and practices as well as the upper class itself.

Any information concerning this topic or on similar topics would be very helpful in the completion of this project.

I would like to thank you in advance for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Van K. Williamson", with a horizontal line extending to the right.

Van K. Williamson
